

The Sniffles & Boo Boo Fund ^[1]

By Robin Olson on November 7, 2010

We were going to celebrate rescuing a beautiful family; a mama and her three newborn kittens. Our first days were filled with joy, but was soon followed by dread-our family was sick. Like so many other cats rescued from Kill Shelters, they were exposed to many strains of upper respiratory illnesses. The little kittens, with immature immune systems were hit hardest.

Cara Melle, before (left) and after (right) she got sick.

Little Polly, was the worst of all. Her eyes began to swell shut. She started screaming. She was so congested, not only was breathing tough, but her sense of smell was lost. Without it she could not nurse and in time, we feared she could die if we couldn't get her to eat.

Cara's sister, Polly, hit hardest by the virus.

After numerous trips to the Vet, the kittens are still not stable. We're doing our best for them, but to be able to provide care for as long as it takes, we need to ask for donations.

In honor of Polly and her family, we've established the **Sniffles & Boo Boo Fund**, where 100% of any donations we receive will go directly to providing Vet care, medicine and any other support needed to help Polly, as well as all of our other foster

cats, get well and stay healthy, once they overcome their ailments.

If you'd like to help, simply press the "ChipIn" button, below or you can send a check to: **Kitten Associates, P.O. Box 354, Newtown, CT 06470**. Please note: Make sure you add: *"Sniffles & Boo Boo Fund"* on your check so we know where to direct the funds.

THANK YOU FOR CARING!
