

Our Latest Rescue & New BFF-Jackson Galaxy! [1]

By Robin Olson on January 6, 2012

Normally we don't promote television shows on our web site, but this is a special occasion. **Tomorrow, Saturday Jan, 7th at 8pm EST on Animal Planet begins the second series of "My Cat From Hell." hosted by the master of cat-listening, Jackson Galaxy.** His deep understanding of cat behavior helps him guide cat-guardians in how to better live with their troublesome cats. **Although not all cats behave badly and even if yours doesn't, you should watch this show.**

We had the pleasure of speaking with Mr. Galaxy about his passion for saving cats lives. If you'd like to read the article you can find it [HERE](#) [2].

The day we did the interview, we also ended up rescuing this big, white, love-bug who we named, Jackson, in honor of Mr Galaxy. **Jackson's a little over a year old and is already neutered and has all his shots. Jackson will be available for adoption in a few weeks. If you're interested in him, please contact us at info@kittenassociates.org** [3]
