

Help Fill Our Kitten's Bellys! ^[1]

By Robin Olson on April 25, 2012

The six kittens, and their mama, April, are all doing well. The kittens just turned four weeks old and are starting to lap at formula on their own. **We're so happy to see the kittens thrive, but the older they get, the more costs will be involved with their care and we need your help.**

Use the ChipIn Widget, below, to make a donation for April's family. They'll need vetting (*times seven*) in the next few weeks and supportive care like cotton balls to help them eliminate, paper towels and cleaning supplies, kitten formula, baby food and new kitten-specific toys.
